\$4,000,000 Mid-Township Zone Clears Another Hurdle: Vote Seen

Immediate steps to set up a \$4,000,000 flood-control and drainage zone around Niles, Centerville and Newark were recommended last week following a hearing in Washington Hi auditorium.

Advisory commissioners of the County Flood Control and Water Conservation District agreed to ask the Supervisors to call hearings on the project, Zone 5, which the Supervisors approved last January.

The decision followed an outline of a system of drainage canals and allied works presented by Flood Engineer H. G. Crowle. His plans showed:

1. Four major drainage canals extending Bay-ward from Highway 17 around Centerville.
2. A major canal down Corral Slough south of Machado's Corners.
3. A "complex" of canals from Decoto and Niles, joining in the

neighborhood of the Pacific States Steel Mill before emptying in Alameda Creek.

4. Drainage "improvements" both above and below the ground around Niles.

Total cost of these projects was estimated at \$3,454,000.

Crowle said that Army Engineers have given tentative approval to levees and channel-straightening costing \$5,000,000 along Alameda Creek, chief offender in this region. However, the county project would tie into the federal plans. In fact, Crowle said about \$533,000 ought to be spent by the zone before the federal work starts, since it may be years hence. And the zone ought to earmark \$10,000 a year to maintain the federal project when it is finished, he added.

Taxes will increase 50 cents per \$100 valuation, or about 90 cents a month on the average home, if the Zone 5 work is undertaken.

Next step would be for the Supervisors to call a hearing, then set the date for a bond issue—probably in the fall, the engineer stated.

Initial bond issue should be for about \$600,000, Crowle said, but the election if held should authorize issues for the entire project, so that the areas which benefited first could not block later work.

Answering questions, Crowle asserted:

1. Subdividers would have to pay for drainage lines and main channels if they build prior to the project.
2. The State and county are anxious for the canals to be approved, so that they can proceed with their plans for roads and the Freeway. Crowle said State engineers have assured him they will build the Freeway to conform to the flood-control projects, and that if the Zone 5 works are adopted first, the State and county will pay for the bridges.

FRANK BOTELHO, EX-MORTICIAN, DIES AT 79

Funeral services were held here Tuesday for Frank Frederick Botelho, 79, a retired Centerville mortician who died at his home Saturday of a heart attack.

Botelho was born in Walnut Creek, and owned large landholdings there.

He moved to Centerville 41 years ago, and later took over the interest of a brother in the local mortuary. Prior to World War II he sold the establishment to Dallas Paul.

He was an early and enthusiastic member of the local volunteer fire department. His home was at 212 S. Main St.

He was the husband of Rose Botelho; the father of Mrs. Sibyl Morse of Burlingame and Mrs. Antoinette Bornholdt of Walnut Creek; and the brother of Joseph Botelho of Lafayette. He also is survived by five grandchildren.

He was a member of Maple Camp, Woodmen of the World, the Alvarado Eagles, Warm Springs IDES, the Centerville UPEC, and an honorary member of the Centerville Fire Department.

RABID ANGLERS CLOG CREEK HERE

More fishermen than fish—that was the story along Alameda Creek as trout season opened over the weekend.

The local stream was open for anglers for the first time in years, and State Fish and Game officials had planted it with some 10,000 catchable-size rainbows.

On Saturday, opening day, more than 1000 cars were counted by wardens between Niles and Silver Spring, south of Sunol. Sunday saw nearly as many. Fishermen stood elbow to elbow along the banks, struggling for a place to cast.

Last stocking of the stream was made last Tuesday after one truck carrying a hatchery load overturned near Santa Cruz, with the prizes a total loss.

Only a few limits were reported. The trout apparently were well-fed and scorned most of the salmon-egg offerings.

Game wardens said, however, they will continue stocking the stream during season.

POSTMASTER SUBS FOR BR'ER STORK

Now the postman helps bring babies!

Ernest Vayssie, Irvington's acting postmaster, fell into an assistant stork's role Monday afternoon when Mrs. George Yonekura of Newark began having a child in his town en route to the doctor's. Vayssie was passing the office of Dr. Frank H. McMahon when Mrs. Yonekura and her husband stopped there. Mrs. Yonekura was being sped to a San Jose hospital, but Mr. Yonekura became certain she wouldn't get there in time.

The baby almost was born in the Yonekuras' car but Vayssie and Dr. McMahon carried the mother inside and the child—a 6½-pound girl was delivered there.

Both mother and daughter then proceeded to San Jose and the postmaster went back to more normal duties.

Decoto CC Would Annex to USD

Decoto's Chamber of Commerce Tuesday night endorsed annexation of their local sewer system to the Union Sanitary District.

Chamber President Al Ferreira said petitions are being circulated in an effort to get 55 per cent of Decoto property owners signed up, thus avoiding an election.

Ferreira said cost to Decoto will be a maximum of \$35,000 for pipelines, "compared to more than \$150,000 if we have to enlarge our present plant."

The chamber declined to act on the report of a self-appointed "committee," consisting of Ken Garcia, complaining that Supt. of Schools Harold Schoefeld's \$10,200-a-year salary is too large. Trustee W. S. Davis, who was present, said:

"We think he's worth it." Dr. Schoefeld, Manuel Hidalgo and Jack Faletti were named to a committee whose announced purpose is to play watchdog on reported Hayward ambitions to annex Hillview Crest and the new Treeview tract.

U. S. Brains Answer to Reds, Dunn Says at Decoto

Development of American brainpower through public education is our best answer to totalitarianism, Dunn said.

This is the opinion of Assemblyman Francis Dunn Jr., expressed last week at dedication ceremonies for the Decoto School addition.

"One third of California's State funds now go for education," Dunn declared. "But education is the bulwark of our democracy. Industry and science have made their strides only because of required public education. The totalitarians outnumber us 8-1. So we must provide equal opportunity for each child to develop his brains. Only thus can we hold our own."

The legislator termed school buildings "tools of education, just as important as machine tools."

Assisting in the dedication of the 10-classroom addition to the school, County Supt. Vaughn Seidel presided.

1. Since 1-year-olds in the county now number double the present kindergarten attendance, the area will need double the present number of schools and classrooms in the next 10 years.
2. Greater aid must come from the State, since local property-

owners "can't shoulder the whole burden."

The Decoto School additions were completed last October at a cost of \$357,179. Included are a cafeteria-kitchen, and administration offices. More construction—totaling \$558,000—at Barnard and Hillview Crest Schools was approved by voters in a bond election last January. State grants pay most of the cost.

Mrs. Louise Fine, president of the Decoto PTA, accepted the school in ceremonies from W. S. Davis, clerk of the trustees; and Ray Sheppard, fifth grade pupil, accepted for the children.

POINT OF DISORDER

PRECINCT MIXUP GIVES VOTERS, CLERKS WILLIES

Township voters were singing an old refrain this week—"Where is my wandering precinct tonight?"

Actually the precincts were where they always were. The only trouble was, nobody could say where that was.

The trouble started—as usual—when the County Clerk's office sent out printed forms telling voters where they were to cast their ballots in the May 21 high school tax election.

Some Centerville residents complained bitterly that they received cards telling them they had to vote in the Niles Elementary School.

The complaints were echoed in Oakland. Deputy County Clerk W. C. Koerner, in charge of registrations, gave another tug at his hair and explained wearily:

The mixup is an outgrowth of State school election laws which specify that anyone who lives in a voting precinct which lies even partially in any school district must receive such a notice.

Since school district and voting-precinct lines don't coincide in Washington Township, plenty of voters live in one school district but another precinct. Therefore they get notices which appear confusing.

"Some people who live in Centerville will get three cards telling them to vote in Centerville, Niles and Irvington," Koerner sighed. "One area in Livermore gets five cards."

However, he pointed out, that at the top of this year's cards appears the advice to vote only in the precinct in which they

live.

(Horrible possibility: Since voters' names are carried on registers in all districts for which they get notices, one man theoretically could vote in two or three different school elections.)

One remedy, says Koerner, is to alter precinct lines to conform to school districts. Another is to rush completion of county surveys which will eventually lead to uniform street-numbering here.

Last year, the clerk's office sent out maps to most local voters asking them to mark plainly where they live. This was an effort to straighten out the precinct muddle which arises from the fact that streets and numbers now mean less than zero in these parts.

"We got about 70 per cent of them back," reports Koerner. "But about half of them were marked wrong, so it didn't do much good."

Not all the clerk's troubles come from misprecincting. Koerner said the Decoto post office is refusing to mail the advance election notices because they are addressed to street numbers, and not to postboxes.

Koerner at least was able to locate his office in a telephone interview today. Said he: "We're at our wit's end."

Seidel Foe Charges Politics, Waste Rob Schools of Funds

"A strong political machine in the County school system is absorbing tax funds which should be used to educate our children."

This charge was leveled against Supt. of Schools Vaughn Seidel by Seidel's opponent, Dr. O. B. Paulsen, at a Centerville Chamber of Commerce luncheon Monday.

Seidel invited to the chamber meeting, Dr. Paulsen declared cost of operating the county superintendent's office rose from \$68,000 in 1940 to \$860,000 in 1950. Moreover, said he:

"Most of this money goes for supervision, which as it is now carried on is wasteful and obsolete, or for glorification of an individual"—his opponent.

He charged "a political machine" has been erected by Dr.

Seidel as a result of the system which allows Seidel to appoint successors to local school board members who leave the job during their regular term.

"Luxury cars," and "two-way radio-phones" were other extravagances Dr. Paulsen laid to Dr. Seidel. Paulsen is a former superintendent of schools in Hayward.

He also announced that Mrs. Evelyn Perkins will head his campaign in the Centerville area.

Dr. Paulsen said he believes the county superintendent's office should be located in the south end of the county because its activities are confined, in large part, to supervising schools in unincorporated areas.

SUMI KATO, JACL PRESIDENT, DIES IN SAN JOSE HIGHWAY ACCIDENT

A tragic highway accident last Sunday killed a widely known Japanese-American nursing instructor from Warm Springs, days before she was to have announced her engagement.

Deceased is Sumiko Kato, 26, of Railroad Avenue, daughter of Mr. and Mrs. Taiyo Kato; and president of the Japanese-American Citizens League of Southern Alameda County.

Miss Kato was driving alone to work at the San Jose Community Hospital, where she was a nursing instructor. At Bayshore and Oakland Highways, about 6:45 a. m., her auto was involved in a collision with a heavy truck driven by Carroll Dingham, 37, of Belmont.

Miss Kato apparently was killed outright. The truck rolled a full block before it could be halted.

The dead girl's family said she was to have announced her engagement this week to James Satake of Mountain View.

Miss Kato was a Washington Hi alumna, a graduate of St. Mark's School of Nursing in Salt Lake City and of the University of Utah. She had been on the hospital staff for six years.

She had headed the local JACL since early this year.

Other survivors include two brothers, Yasuto and Henry of Warm Springs; and two sisters, Mrs. Kiyo Kitayama and Mrs. Chiyemi Sakuda of Alvarado.

Services were Wednesday under direction of Berge Mortuary, with interment at Oak Hill.

MISSION SAN JOSE
By TEDDY PEREIRA

DESPITE—The many beautiful feast days of all denominations, surely there is no day as lovely as that when little boys and girls receive their first Holy Communion as was administered Sunday at St. Joseph's Church. Their little faces radiated happiness and realization at the receiving of the Sacrament. Reverend J. A. Copeland's personal talk to the communicants was as equally impressive. Surely the Sisters of St. Dominic deserve many blessings for their tireless efforts to prepare these children toward a spiritual life.

Ma HERE WEGO—Talk about your birthdays—May 2nd was a "3 in 1" day as Virginia Feliciano, Marie Schneider and Marie Lofton all had a real happy birthday. Congratulations!

AND—Congratulations are in order, in a different way, for the Manuel Phillips' family as they moved into their lovely new home Sunday. May you and your new home be the center of countless blessings.

NEW YORK—Mrs. Marie Rust flew to New York City where she is having a most enjoyable visit with friends.

GOOD LUCK—Robert Lofton in your new job at J. C. Penney's in Sunnyvale. Hope you get along just fine.

PUBLIC SCHOOL WEEK—At our Mission School was reported to be most outstanding this year. The students' various talents were really outstanding, and one wouldn't be fair to try and judge which class rated the highest.

TEXAS BOUND—Private Nolie Fernandez informed me this was his last week-end home as next week he takes off to the "Lone Star State." Good luck soldier!

LAKE TAHOE BECKONED—To the John Feliciano family as they spent the week-end at their lake cabin—also to get it in readiness for the summer.

THESE PROUD GRANDPARENTS—Mr. and Mrs. Manuel Brown spent Saturday in Hayward helping their little granddaughter celebrate her third birthday.

AND—Here's a birthday for you, party and all. Little Stevie Spence is two years old now. The party was held at Mrs. Nora Pereira's home—where else? as Nora has more or less taken care of Stevie for his two years. His little guests were Sharon, Linda and Margie Phillips, Gayle and Lynett Souza, Randy Alberts, Linda Harvey and Carol Brayeovich of Mission; Adeline, Ruth, Joyce and Henry Kempton Jr. of Irvington, and of course Stevie's parents and Nora Pereira.

EVERYONE—Is so pleased to have such an excellent variety of fruits and vegetables at the new stand operated by Nickey and Mary Romero. Lots of luck to you.

SUZY SEZ...

There has been some question as to the identity of Suzy, but if you knew, I'd only hear half the gossip and news that I do now.
After attending several PTA meetings last month my conclusion is that officers are not picked for their clear, loud, speaking voices.

The man of the family says he won't fertilize the grass any more—it's costing too much to get it cut by our favorite 11-year-old.

You might want to keep in mind the best way to remove spilled wine from table cloths is to sprinkle with salt and wash immediately.

I've heard many nice comments on the attractive flowers opposite the Norris School, on Thornton Avenue, as well as the roses just outside Niles.

Christmas toys are being ordered now by local businessmen, and it might be a good idea if you, too, were to start putting those big items on lay-away.

Did you read the notice that those street numbers are not being done by an authorized Township veteran's group? No need to pay, if you don't want to.

A Centerville woman tells me of a friend who was victimized by another racket, in which she paid a deposit for pictures, and failed to receive any from a traveling photographer.

A Newark woman says she can't decide if she should tolerate all the bugs and spiders in her house, or mash them, leaving marks on the walls.
"Six weeks more, and they're all yours!" says a teacher, referring to the end of school, when my vacation ends.

Several Township towns should check on having city limit signs placed on all their main approaches. Autoists still like to know what town they're driving through.

Next Sunday is Mother's Day so don't forget to have a card ready for the one you honor.

To get just the right look in the squaw dress skirts, try rolling tightly and place in a nylon stocking to dry.

Our youngest brought home a snake for a pet, but was traded out of it, thank goodness, by a pal who got the reptile for an old baseball and mitt.

Some of the so-called "fair weather" lately has only been "fair to middlin'."

You'd find a trip to the Garden Show well worth the low morning admission price, even if you just look at local exhibits.

Tourists are beginning to drive through our Township, and quite a few stop to take pictures of our "quaint" cemeteries, with their tipped headstones and unkempt appearance.

I wonder if there's a method to do away with that unpleasant odor of the picked-over fields of cauliflower?

SUPERMARKET GETS NEW MANAGEMENT

Stressing "service, low prices and friendliness," two former Safeway employees from San Jose this week held the grand opening of their store, the Niles Supermarket.

New owners are Calvin Parker, who spent 10 years with Safeway mostly in San Jose; and James Mayfield, 13 years with the chain.

For the past few weeks they have been rearranging and re-pricing stock, and restocking the store with up-to-date merchandise.

Parker's wife, Vennette, will take over the check stand. The couple have three children. Parker served in the Merchant Marine during the war.

Mayfield also is married, has one child. Both men's hobby is fishing. They invite Township shoppers to inspect their revamped market.

DECOTO TOT HURT IN FALL ON GLASS

Gary Cornwall, 11 months old son of Mr. and Mrs. Lory Cornwall, 626 Railroad Avenue, Decoto, is home again after a week in Merritt Hospital where he was taken April 27 after a fall from his crib.

Gary was put to bed for his afternoon nap and a few minutes later fell out of the crib on top of his bottle which broke, amputating his nose and lacerating his face. Plastic surgery was performed and Gary was released to his parents Tuesday night and is doing as well as can be expected.
The Cornwalls have three other children.

Breaks Leg in Pogo Stick Tumble

Jim Spence of Newark, hand-some 6-foot 2-inch deputy sheriff, last week was demonstrating to his 11-year-old son, Michael, the perfect balance required to ride a pogo stick.

Jim was doing very well, too, until the stick hit an uneven spot, and he fell, breaking his left leg in two places just above the ankle. He will be off duty for a month.

DINNER HONORS NEWARK FIRE CHIEFS

Fire Chief Joseph Pashote and First Assistant Chief Lawrence Costa were honored guests at a "crab feed" given by members of the Newark Firemen's Association at their regular meeting April 26. Both men have completed 31 years' service in the department.

Louis Caldeira as usual was chef and guests were Arthur Cot-president, and Paul Gyax, treasurer of the Newark Chamber of Commerce, and Albert Pashote, ex-fire commissioner.

The chief stated: "Newark has been the leader in firefighting and fire prevention work in this area, and we want to keep it that way." Therefore, he has recommended the purchase of a 1000-gallon pumper, the first in this area. That is the reason for the 34-cent tax at this time, the chief noted.

The meeting adjourned with a minute of silence in memory of Ex-commissioner Fred Muller, who was an honorary member. Active firemen or commissioners who have served 10 or more consecutive years are made honorary members of the firemen's association upon retirement from the department.

The heavy stickler for the days was Sab Ellzarey by tying the game in the ninth inning with a 4-bagger. H. Serbantes also got 3 for 4, also was a good hitter, as were T. Nieves with 2 for 4, one of them being a triple; Johnnie Chacon with 2 for 4.

Next Sunday Mal's Liquors will face stiff opposition when they will take on the San Jose Ladder Club at 1:30 at the Bernard School grounds at Decoto.

The short score was:

	R.	H.	E.
Havencourt Mer.	8	8	8
Mal's Lquors	9	15	9

**Orangemen's Rally Short, 'Gatos
Wins 8-7; Locals Face Bucs Today**

The Washington Huskies' 7th inning rally fell one short last Thursday as they dropped an 8-7 decision to Los Gatos on the Cats' diamond.

The Huskies will battle to stay out of the cellar this afternoon as they play host to the Campbell Bucs. The Bucs have the same mark as the locals, 1-3.

Last week's contest was a hitter's game. The Cats got to righthander Bob Hird in the first for one run on two singles.

The Huskies came back in their half of the second for two tallies on one hit. The Gatos pitcher Chuck Stewart walked three and hit one in the inning.

The Malemutes picked up two more in the third on four basehits. Jess Pineda's triple was the big blow. The Cats tied the game up in the third as they pounded Hird for four singles.

The out-of-towners picked up three more in the fifth on four hits and an error. Dick Greens' double helped most.

The Cats picked up what proved to be the winning tally in the sixth frame as Raul Orozco dropped a fly ball with a runner on third base.

Righthander Jim Sleeper relieved Stewart in the fourth and shut out the Huskies until the seventh. After two were down, Sleeper walked he next three men to load the bags.

Frank Velarde then sent a sharp single through the box to bring two runs across. Ed Fletcher banged out a double

to drive in a run, making the score 8-7.

Los Gatos then brought in shortstop Dick Princehouse, who threw three pitches to Pineda and struck him out, ending the game.

Fletcher and Velarde paced the Huskies at bat with three and two hits respectively.

Husky box score:	R.	H.	E.
Velarde	4	0	2
Fletcher	4	0	3
Santos	3	0	0
Pineda	5	1	1

WARM SPRINGS :

By IRMA MARKS

MAY DAY OUTINGS—Rose, Mary and Manuel Escobar motored Sunday to Los Banos to take in the May Day parade. Manuel traced back some of the familiar places he knew when he lived and worked there in 1915. They also called on Frank Vargas, station agent, formerly of Warm Springs.

GUESTS—Mr. and Mrs. Antonio Gomes and daughter of San Francisco were guests of the Marks and Escobars on Saturday.

OUR DEEPEST SYMPATHY—To the Kato family of Railroad Ave., on the loss of their lovely daughter Sumiko.

PUBLIC SCHOOL WEEK—The Warm Springs P.T.A. served tea and cookies to those who attended the classroom skits during Public Schools Week. Some 35 parents attended and it made the teachers very happy to have them show such an interest in their children and the work they are doing. The tables were beautifully decorated with flowers and white place mats with colored borders. P.T.A. members who donated cookies were Minnie Souza, Roselyn Smith, Lillian Rodriguez, Mae Kato, Mrs. Figget, Irma Marks, Eleanor Costa, Dorothy Silva, Anita De Valle, Edith Jernigan, Dolores Teixeira and Lucretia Michael. A friendly visit was enjoyed.

SUNDAY AT BEACH—Mr. and Mrs. Filbert Silva and son and Mr. and Mrs. Manuel Guardanapo and sons motored to Monterey Sunday. In fishing they caught a nice mess for dinner.

FIRST COMMUNION—Twenty-eight boys and twenty-one little girls received their first Holy Communion on Sunday at St. Joseph's Church. Our son Clifford was quite ill on the preceding Friday night, but finally made it on a wing and a prayer.

S. P. R. S. I. NEWS—Warm Springs S.P.R.S.I. Council No. 84 held their meeting on Saturday with a grand installation of officers, which was well attended. New committees were named by the new president Evelyn Rose. Delicious refreshments were served.

P. T. A. NEWS—The P. T. A. held their annual convention April 21, 22 and 23 in the Civic Auditorium in San Francisco, headquarters being at the Mark Hopkins Hotel. Emily Bettencourt and Mrs. Mollan were delegates for Warm Springs. Newly installed P.T.A. officers here at last meeting are: President, Theresa Sarmiento; vice president, Emily Bettencourt; treasurer, Mrs. Mollan; secretary, Roselyn Smith; second vice president, George Clarey; historian, Irma Marks; parliamentarian, Mrs. Bruce Michael; and auditor, Dolores Teixeira. Mrs. Robinson of Irvington was installation officer.

Theresa Sarmiento received the outgoing president's pin, while Mrs. Michael was also presented with a pin for her time spent in the presidency. A movie was enjoyed.

BENEVOLENT SOCIETY—On April 27 the Warm Springs Benevolent Society, Council Melio, held their regular meeting and then served a delicious luncheon including prawns, salad, french bread, coffee, and a beautiful cake especially planned to help Mr. and Mrs. Frank Serpa of the County Line celebrate their 25th anniversary. The couple were presented with a beautiful piece of silverware matching that which they received on the preceding Saturday from so many good friends. Tables were adorned with stocks. Next meeting will take place on the fourth Tuesday of the month with nomination and election of officers. What will be served is a secret, says Mrs. Joe Bettencourt.

SMOG CURB NEEDED BEFORE FACTORIES, THOMAS SAYS

Washington Township must have an air pollution ordinance before heavy industry can be located next to residential areas, John J. Thomas, Alameda County planning director, declared in Decoto last week.

Addressing a meeting called to discuss zoning for the Decoto area, Thomas pointed out that 1000 acres next to Hillview Crest has been zoned for industry. The area, bounded by the proposed freeway, Whipple and Alquire Roads, is surrounded by property zoned for residential development.

Thomas told interested residents, however, that until an ordinance against smog is forthcoming, the planning commission will exercise controls which would curtail possible nuisance from industrial wastes.

He also reminded his listeners that opponents of industrial development will have an opportunity to have their arguments heard at public hearings which would be held before permits would be granted.

A triangular area formed by the intersection of Decoto and Nursery Roads also has been zoned for industry.

Three tentative sites, one of which will probably be designated as a shopping center, were shown on maps which Thomas presented.

One is at the intersection of Decoto Road and Highway 17, one is at "E" and Third Streets, Decoto, and a third is at the entrance to Hillview Crest.

Legion Auxiliary

Past presidents of the American Legion Auxiliary met Friday evening at the Cottage in Oakland for the annual Tenth District Past Presidents' Parley Dinner.

Attending from Washington Township Unit 195 were past presidents: Mmes. Rose Vieux, Marie Brazil, Andy Furtado, Marie Duarte, Florence Graber, Ellen Mohn, Lilly Robinson, Marian Zwissig, Stella Benbow, Betty Pool and Lillian McDermott.

JOE THE USURPER

We'd like to know the legal justification for the McCarthy hearings. Congressional investigations are supposed to hew to the line of finding out what laws, if any, have been violated—laws passed by Congress, that is. In the vastly understated words of Senator Mundt, the current McCarthy inquisition has wandered far afield. The hearings have boiled down to the question of who crept in, crept and crept out.

In our opinion, investigation of malpractice and subversion in the armed forces is a function of the executive branch. If there was treason at Ft. Monmouth, then the President, using the FBI and the Army's counter-espionage division, is the agency to do the investigating. It is not the job of a blabber-mouthed pack of publicity-hunters who turn the eyes of all the world, including our enemies, on our inmost secrets. Our position at Geneva was badly hurt by the ruckus. So is Army morale.

Senator McCarthy and his cronies are causing this country irreparable harm by such investigations. Once more, Americans call for the President to blow the whistle on Jumping Joe. What are you waiting for, Ike?

Ask Parallel Parking in Centerville Street

Parallel parking was asked for Monday's meeting of the Centerville Chamber of Commerce.

The street is a one-block affair off Main, one block north of the Southern Pacific tracks. The request, addressed to the County Supervisors, came after a suggestion by Mrs. Evelyn Perkins, who contended the street is often blocked by diagonal parkers.

Like "Kiss-the-Canvas" O'Brien, here pictured, we know a man who took the financial count when his home burned. He assures us there will be no second time—not with sound fire insurance in his corner as a second.

UTILITIES JOIN TO EXCHANGE DATA

So that Washington Township's left hand will know what its right hand is doing, utilitywise, a conference of services was formed here last week.

Purpose of the coalition: To keep the gas company, for instance, from digging up the water company's mains. Also to keep one utility from blocking a street two days after another one has finished construction work in the same place.

The Utilities Co-ordinating Council was formed at the suggestion of George Coit, chairman of the Union Sanitary District. He told fellow service executives Washington Township is getting too big to serve haphazardly.

Coit said "full knowledge of each other's plans" will save expense and delays. Another meeting is scheduled for early June.

Present at the initial session were Peter D. Juhl of the PG&E, plus representatives of the county health department; and Matt Whitfield of the Alameda County Water District.

SHERIFF SWITCHES ANNOUNCED HERE

Three changes in the local sheriff's staff were announced last week by Capt. R. E. Condon, in charge of the Washington Township substation.

They are:

1. Sgt. Jack Legro of Mission San Jose is transferred to the Eden substation.
2. Constable Robert L. Moore is promoted to sergeant at Washington substation, and
3. Deputy Ronald J. Bernes, formerly with the civil division in Oakland and Santa Rita, is transferred to the job of constable here, succeeding Moore.

Edward Roybal, Los Angeles city councilman, who is candidate for Lieutenant Governor, will tour Washington Township in a motor caravan Saturday, May 15, starting at 10 a. m. from the Hillview Crest area. The caravan is sponsored by the Washington Township Democratic Club.

The Alameda County Community Service Organization announces that it will hold a dance on Saturday, May 8, at the Newark Pavillon.

LAMBERT HEADS REC' STUDY GROUP

Ronald Lambert, Washington Union High faculty member, last week was elected president of the Washington Township Recreation Project Committee.

Aim of the group is to study needs and possible co-ordination of recreation programs in the Township. The goal excludes Newark, where a Park, Recreation and Parkway District has already been established.

Others on the committee are Bruce Michael, Jack D. Pool, Dwight Thornburg, J. P. Nunes, Judson Taylor, Salvador Galvan, Dr. Bruce Battleson, James Meyer, Manuel Hidalgo and Ruel Ramirez. Julia Minor of the Council of Southern Alameda County Communities, will serve as secretary.

Consultants are Judge Allen G. Norris, juvenile court judge; Sgt. William Hildebrand of the sheriff's department and Gladys Snyder of the State Department of Recreation. "A survey to determine needs and resources within the area will be conducted," Lambert said.

READERS WRITE US

Editor, sir:

We receive your publication each week with great interest and appreciate any constructive ideas that may help us in rendering service to our district.

In this week's paper, under "Carolling Around Newark—Complaint Department," we quote as follows: "Where, oh where, does our Alameda County Water District get that lousy tasting water it has been pawning off on us lately? May be instead of buying water from farmer's wells, Hetch Hetchy water would be a solution."

We should like to point out that up to the present date there has been no water pumped from farmer's wells, and also that for the past 3½ weeks, 75 per cent of the water supplied to Newark has been Hetch Hetchy water.

We believe that this information is of interest to you and your readers.

Very truly yours,
Alameda County Water District
By, M. P. Whitfield, Gen. Mgr.

CAROLLING AROUND NEWARK

By JEANNE AND GENE CARROLL

AROUND TOWN

Point of order . . . point of order. Have you been following the three-ring circus in Washington? To us it appears that: (1) there is no point and (2) there is no order to the proceedings. Reminds us of that old refrain "Jumble and a taxpayers eye" and a question, too—when is a gentleman not a gentleman? Could the answer be, when he is a politician.

Whoops . . . We sure pitched Manuel Vargas a curve when we confused executive committees by omitting the very important word UNION in an item two columns back. Sorry, Manuel, sometimes when we read notes we get as blind as an umpire with the only difference being that we admit it.

Faith renewed . . . Our faith in the fair sex has been shaken a few times but last week it was restored with the arrival of a "welcome" note from Theo Overacker and Edith Mackintosh . . . 'nuff said except thanx.

Sunday . . . That word should ring a bell because then we honor the fairest of them all—Mother. How often do we say that my mother will or my mother did? Add them all up and give mom the big payoff on her day.

First stop could be at Sears & Houston where a Mother's Day bakery sale gets underway at 10 a. m. on Saturday, May 8. The sale is being held by the mothers of Cub Pack No. 1 to raise money for materials and supplies.

Second chance . . . If you forget mom on Mother's Day you can make amends on Saturday, May 15, when the L. D. S. Church Relief Society will hold a bakery sale in a vacant store in the Newark Shopping Center. Mrs. Clyde Lindsay is chairman.

Real fun . . . That's what the old-fashioned box social the K. of P. is holding at Calvin Hall tomorrow night promises to be when the bidding starts on the fancy packages, pardon, boxes. Bring your family, box lunch and prepare to give your laff muscles a workout as the ugliest man gets crowned. Buford Barks, chairman, sez "everyone is invited."

What price fame . . . Last Thursday we got a gander at the big SP sign on the SP Building in S. F. as we crossed the Bay Bridge and we comment like so, "there's the big SP sign we have been hearing and reading so much about." From the back seat of the car came a familiar voice, "oh, is South Pacific back in town?"

WELCOME to Harlan E. (Buck) McClellan, our town's newest businessman. Buck has purchased Marge & Lil's in the Newark Shopping Center and renamed it Buck's Cafe. He had operated a cafe in Ozark, Ark., for seven years prior to coming to California and Newark last August. Buck, his wife, Wayna (Jackie), and their 12-year-old son, Charles, reside at 2582 Noel Street. Real nice people, we think. Drop around and see what you think.

NOW THAT Marge Petschauer is retiring from the cafe business she will fill her free time as a saleswoman for Golden State. Out of the frying pan and into the milk bottle.

DID YOU HEAR . . . If you tuned in on Howdy Doody (you don't!) last Friday you could have heard the Korean boy and girl choir . . . great Imagine hearing Old MacDonald, Jingle Bells, etc., sung in Korean as well as their native songs. The choir is making a fund-raising tour of the States for Korean relief.

JUNE BRIDE-TO-BE Charlotte Seward was honored at a bridal shower given her by Mrs. Schroeder on Friday, April 30. Charlotte will wed Darrell Kuhn of Woodland, who was discharged from the Army in December, sometime during the traditional marrying month.

Shower guests included Mmes. Nonie Stracener, Edna Dupont, Opal Bishop, Jerry Raber, Frances Schroeder, Ora Raber, Josie Gibson, Maxine Van'thof, Sadie Hoselton, Faye Stice, Roberta Wilson, Rose Raber, Dee Hetherington, Agnes Croop and Edith Beck,

Misses Joyce Ruskofsky and Joann Elias.

JANICE AND DIANE TRAWICK had a double birthday party on Sunday the 25th to celebrate Janice's sixth (April 26) and Diane's second (April 6) and the joint party planned by their mom turned out to be great fun for them and their guests: Gary and Randy Peters, Diane Robertson, Mary Ann McDermott, Dean Witcraft, Russell James Correia, Diane Woodward, Mary Frances Collins, Sandy Pierce, Ethen Hoover and Carol Hernandez. Grownups included their grandparents, Mr. and Mrs. Arch Trawick of Hayward and Mrs. Emily Correia, Mrs. Darlene Peters, Mrs. Ann Hernandez and Mrs. Wanda Trawick.

ANN DIAS and her daughter, Barbara, arrived in Watsonville just in time to experience the frightening sensation of being on the spot where the hardest tremors of an earthquake center. Boy! Once is enough. They went to visit with Ann's sister-in-law, Mary Ferreira, and they certainly had plenty to talk about after they revived from the shock.

THE VELASCO home was the setting for a pink and blue shower last Tuesday night when Ina Velasco was hostess at a baby shower given for Roseann Ziebarth. The honoree is awaiting an heir to join daughter Michelle, pride and joy of hubby, John.

Friends and neighbors who brought lovely gifts to the beautifully decorated home included: Stella Southard, Jackie Hess, Jean DiMaggio, Barbara Eichler, Evelyn Rogers, Marge Young, Elly Roche, Marie Fipps, Jean Richards, Alie Lockhart, Nita Sims and Mel McLean.

MRS. MABEL TAYLOR of Strathmore is here visiting with the Ed Biemennillers while waiting for her daughter, Bonnie, to make her a grandmother with the arrival of another little Biemenniller, who should be along in time to be an item elsewhere in this column.

DICK AND FRANCES LYNCH are entertaining Fran's parents, Mr. and Mrs. H. R. Bullock from Highland Park, or should we include that in Los Angeles' city limits? Anyway, they are enjoying a short visit in Newark.

A "WELCOME LITTLE STRANGER" shower was given for Mrs. Helen Martin by grandmother-to-be, Mrs. Bert Martin, on Sunday, April 25, at the Youth Center. The honoree, hostess and honoree's mother, Mary Simms, all wore orchid corsages sent to them by Donald Martin from Hawaii. Showering Helen with gifts for her expected were: Mmes. Lillian Costa, Lena Caldeira, Helen Maciel, Dorothy Simms, Eleanor Wilson, Alice Silva, Beverly Silva, Betty Hernandez, Rose Martin, Belle Lyons, Lorraine Montero, Lorraine Pine, Ardie Pine, Angie Preciado, Glenda Pine, Marjorie Tutor and Elizabeth Lancaster. Misses Beatrice Orta, Jackie Martin and Shirley Tutor. Yvonne Caldeira, Jean Lyons, Dorothy Martin and Rose Marie Valles sent gifts.

NEIL AND BEA SHEFFIELD and sons drove down to Turlock and spent an enjoyable Sunday visit with Rev. and Mrs. John Peffers and family, all of whom they found well and happy.

GEORGE AND RUTH LATHAM entertained George's niece, Mrs. Pauline Brown, for the week-end. Mrs. Brown hails from Montrose, Calif.

SATURDAY, April 24, was happy birthday for Lucille Robertson, daughter of Franklin and Lorraine Robertson, and she had a wonderful party with Terry Sousa, Jerry Taylor, Jimmy and Carol Ross, Marcia Johnson, Sharon Rash, Kenny Potts, Darlene Brake, Mary McCoy, Freddie Jones, Judy Davis, Tony Goularte, sisters, Cynthia, Judith and Janet and brother, Neil, sharing the cake with 12 candles. Grownups getting a share in the fun included Mrs. Beatrice Sousa, Mrs. Irene Davis and Mrs. Rita Goularte, but the best share of all was the piece of cake Lucille wrapped and shipped to Alaska to her Godfather, "Rambling" Willie Rausch, who is working for Uncle Sam on a "private" detail

KIMBER'S AWARD TOLD AT CAL POLY

A \$500 scholarship, known as the Kimber Scholarship in Poultry Husbandry, will be awarded annually to a California State Polytechnic College student with a serious interest in the poultry industry, President Julian A. McPhee announced this week.

The scholarship will be awarded to a poultry major and may be selected from high school or junior college students applying for admission into the college. The award is not made until the student enrolls.

Selection of the recipient will be based on merit with academic record, leadership and poultry industry activities being considered. The selection will be made by the college scholarship committee.

John E. Kimber, donor, is president of Kimber Farms, Inc., at Niles, and is one of the leading poultry breeders in the nation.

"Mr. Kimber has always shown interest in young people and has encouraged them in their life work," President McPhee said.

TOWNSHIP TOPICS

This week's question: What do you think of modern teaching methods, such as used in Township schools, compared to the so-called "good old days" of the little red school house?

"In a way it prepares the children for the kind of world they live in. Personally I'd take the good old methods," Mrs. Louise Reis, P. O. Box 1183, Newark.

"I think the olden days children were better disciplined than they are now. Children had more respect for their parents than now," Mrs. John McGregor, 448 Mattos Drive, Centerville.

"They certainly don't teach like when I went to school," Frank Pimentel, R. F. D. 319, Niles.

"From what I've heard, the kids aren't learning as much as they should because of overcrowding," Mrs. Luella Bell, 157 Towers Way, Centerville.

"I like the modern methods better," Mrs. Helen Martin, 1091 Wells, Newark.

"I don't think the children are as much out of school as they should, even compared to 20 years ago," W. A. Gibson, P. O. Box 753, Niles.

"I have no criticism of the new methods. I think they're alright. The children need the modern methods," Anthony Brown, 148 Pine Street, Centerville.

"I think you learn more now than then. They do need more teachers," Judith Bates, General

Delivery, Irvington.

"I think modern methods have improved greatly over the little red school house, and there is still room for improvement," Dean Smith, 411 Barton Drive, Niles.

"The kids are getting a more well rounded education than they used to," Leonard Zavala, 514 Seventh, Decoto.

"I think they know more now than when I went to high school," Joseph Cardoza, 2428 Dairy Avenue, Newark.

"I think the classes are too crowded. If we had more teachers the children could learn more," Virginia Stephens, 252 North Main, Centerville.

"It is easier for the youngsters to grasp the teaching now," Dez Brown, P. O. Box, 1211, Newark.

Mrs. Laverne Shestack will be installed tonight as the first president of the new Alvarado PTA. The Mothers' Club voted to dissolve last month, and to reorganize as a PTA unit.

A special meeting was held Thursday to elect officers, but tonight will be the first regular meeting under the new charter.

Chosen to serve with Mrs. Shestack are Mrs. Emily Sacramento, first vice president; John Bond, second vice president; Mrs. Evelyn Griffin, secretary; Mrs. Kay Silva, treasurer; Stephen Graves, auditor; Mrs. Mary Spurlock, historian, and delegates Hilda Allegre and Ailce Mendes. Mrs. Manuel Pinto, past president of the Mothers' Club, will be the installing officer, and Mrs. Hoyt Hamilton, president, and Mrs. Gordon Peterson, vice president of Phoebe Hearst Council, will be among the guests.

The Mothers' Club has held a dinner each spring, and the new unit voted to continue this practice. The dinner will be held Wednesday, May 12, at the Pioneer Village, and reservations may be made with Mrs. Pinto.

Paper Drive Search Nets Ancient Item

Mrs. Fred Armstrong of Newark helped her Girl Scout Troop No. 76 in the paper drive Saturday, and as she cleared out the dusty old papers from the shed at the Youth Center, she found something which might be a collector's item.

It is a copy of The Ladies Home Journal for August, 1899, in perfect condition. The magazine at that time contained only 38 pages, and sold for 10 cents. There is a whole page of corset ads, while another page shows the "newest styles in hair dressing." Two pages are devoted to "home furnishings in the latest manner."

Familiar names are Kodak, Ivory Soap, Pillsbury Flour and Mennen's Baby Powder, still faithful advertisers in the Journal.

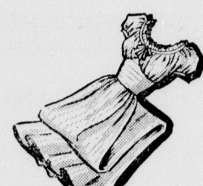

At Convention
